

**TREATY OF RECOGNITION AND FRIENDSHIP  
BETWEEN THE ROYAL KINGDOM OF GOTZBORG AND THE POBLACHT NA TOMÁNN**

AFFIRMING the spirit of friendship and cooperation on which relations between the two nations are based, and wishing to place their relations on an even closer and more solid foundation;

AFFIRMING that both nations formally recognise and respect each other as independent and sovereign nations.

ACKNOWLEDGING the importance to each nation of the relationship and the close connection between them;

RESOLVED to evaluate and pursue opportunities for their governments and their peoples to work even closer together in a spirit of understanding on matters of mutual interest;

CONVINCED of the importance of creating, developing and maintaining relations on an equitable and mutually advantageous basis in a long-term perspective;

RECOGNISING that cooperation between the two nations should have their common interest in the prosperity and welfare of both nations;

RESOLVING to open each others borders to allow dual citizens upon submission of a request by that citizen to the Home Office of the respective citizen and, as a subsequence, establish a free trade zone between our two nations.

BELIEVING that should one nation be attacked, or any brother of our nations be unduly persecuted, both nations agree that an armed attack or threat against one of them shall be considered an attack or threat against both and consequently they agree that, if such an armed attack or threat occurs, each of them, in exercise of the right of individual or collective self-defence will assist the nation so attacked or threatened by taking forthwith, such actions it deems necessary, including the use of force, to restore and maintain the security of the nations;

UNDERSTANDING that both nations should share intelligence on any threats to each others sovereignty as soon as it be known;

COMMITTING to provide the other nation, upon request to the Executive Office, with a person considered responsible enough for the position of Judge in court cases and tribunals, as and when the need may arise;
